

What is ABX?

An acid based aluminum trailer cleaner for removal of road films, diesel smoke, iron oxide and white rust in just seconds. Restore the like new appearance to aluminum trailer in seconds. This product is effective when used in a two step trailer wash. Will leave trailers looking new.

BENEFITS:

- Removes dirt and stains from heavily soiled, as well as highly weathered trailers.
- Revolutionary cleaning process indicates when surface has been neutralized.
- Allows for multiple usage concentrations.
- Quick & easy rinsing.
- A great product for use as a single step or 2 step system.
- Lower levels of fluoride than conventional acid cleaners

WARNING:

DO NOT USE ON POLISHED ALUMINUM. DO NOT APPLY TO, OR LET DRY ON GLASS SURFACES.

DIRECTIONS FOR USE:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read SDS and test in a small inconspicuous area. Recommended product dilution is 20-40:1. Consult your local McHenry PCS Representative for specific use instructions. Make sure to use proper protective clothing when applying this or any chemical.
